Bus campaign - a winner!

Local campaigners are delighted that they have persuaded Metro and First Bus to bring back the 747 bus route.

Councillor Carole Beardmore said, " We have campaigned for two years to get this bus back. It is great to have a bus on Pullan Avenue and it is now easier for local people to get to the Community Hospital and Eccleshill Library. It provides a direct route in and out of Bradford for people living in Greengates and Apperley Bridge and a more direct link between Forster Square and the Airport which should take some traffic off the local roads. I would encourage as many people as possible to use it so it continues to run."

Thank you to everyone who wrote or signed our petition - it really did make a difference.

Standing up for a greener Bradford

Send the government a message - say NO to burning rubbish

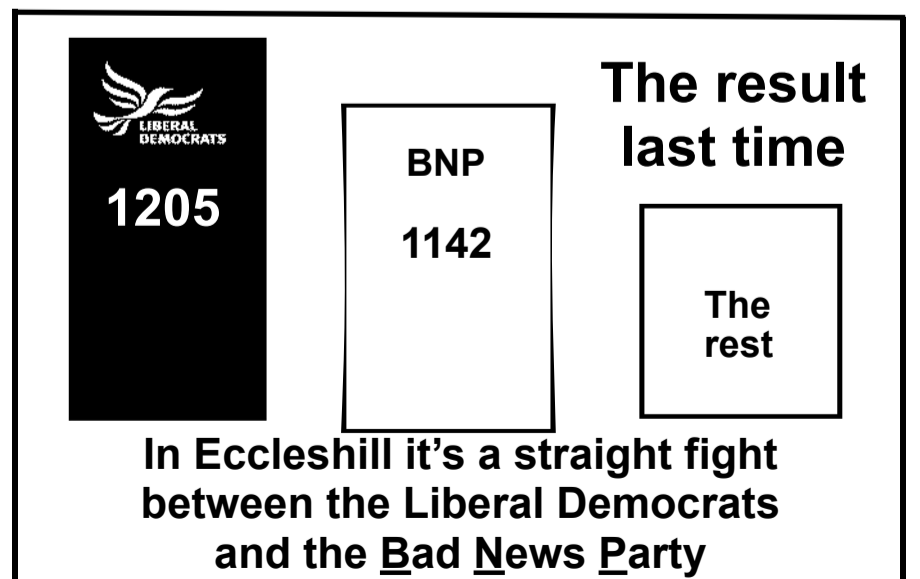

Liberal Democrats in Bradford have said **no** to burning plastics to tackle Bradford's growing waste mountain.

"We are worried that the council is thinking of burning rubbish to tackle the problem of waste. We think that the

council should do much more to get people to reduce the amount of rubbish they produce and recycle as much as possible."

The Government's option of wide-scale burning and then dumping the rubbish is wasteful and environmentally damaging." says David Ward.

Lib Dems plan green tax switch to help switch off climate chaos

Liberal Democrats want to give the average family a £1,000 income tax cut to save the planet.

They will radically change the way Britain pays tax. Taxing good things like income - less and switching to taxing bad things - like pollution - instead.

Then, the more you choose to switch to greener living, the more if you Lib Dem income tax cut you will keep. It's your choice!

Bad News Party

The **BNP** would be **bad news** for Eccleshill. BNP councillors would mean:

Falling house prices - as bad publicity puts people off living here - look what happened elsewhere.

Fewer jobs - as the negative press coverage drives employers and investors away.

More racial attacks and graffiti - targeting both white and Asian residents. The presence of extremists causes tension.

People in Burnley are already seeing the damage voting BNP does to their town - don't risk the same in Eccleshill.

YES, we're backing the green tax switch

I/We back Liberal Democrat plans to cut income tax by £1,000 for the average family, and switch to green taxes instead, so the more people switch to greener living, the more of the tax cut they keep.
